always, to make you loved by all souls, until my life is spent in your service. Deign to choose me, dearest Mother, as apostle and martyr of the devotion to your Immaculate Heart. O August Mother of God and my sweet Mother, receive this my consecration and accept my offerings. Bless my resolutions and crown my aspirations. AMEN

The Act of Perfect Filial Consecration to the Immaculate Heart of our Blessed Mother

PERFECT FILIAL CONSECRATION

August, Mother of God, my most sweet Mother, today in these solemn and happy moments in which I have in my heart Jesus, your most loving son, the Son of your Immaculate Heart, having my soul replete with the most tender confidence in you, most dear Mother, and with the same fervor as the first time, I come to renew and ratify the absolute and total consecration of my being that I made to your Immaculate Heart on the happy day of my first consecration.

I, (name)_____

Humbly prostrate before God, One and Triune, before Jesus Christ, true God and true man, finding myself in the presence of the Glorious Patriarch St. Joseph; St. Michael the Archangel, Prince of the Heavenly Hosts; the Choir of Apostles, particularly the Beloved Apostle, St. John the Evangelist, your first spiritual child; St. Anthony Mary Claret, the Apostle of the Perfect Filial Consecration to your Immaculate Heart, and of the entire Heavenly Court. With all deliberation and with perfect determination of my will, I offer, I dedicate, I consecrate myself to the special service of your Immaculate Heart, O Blessed Virgin Mary, as your child, in order to follow and Imitate your Devine Son in the perfect fulfillment of my state of life, and seek in all things the Glory of God, my own sanctification, and salvation of the souls of the entire world. O most holy Mother of God, and most bountiful Mother of men, hear my words and receive my offerings. I wish to belong unreservedly to you and live totally consecrated to the special service of your Immaculate Heart.

I offer you my souls and body, my faculties and senses, all my thoughts, my affections, my words, my deeds, and even the value of my good actions, past, present and future, leaving to you the entire and full right over me and over all that belongs to me, without exception, according to your good pleasure. I make to you the absolute gift of my heart and soul. I am yours and I wish to be yours in time and eternity. In your maternal Heart I wish to abide forever, considering it is my life and my refuge, and I solemnly promise not to fail in my resolution.

My Mother, behold your child
My Mother, behold your child
My Mother, behold your child

Our lord said, we will not enter heaven unless we become like little children. My sweet Mother, may I ever be for you a most loving child. I promise you that from now on my only preoccupation will be to live as your true child by fulfilling with all possible care all the obligations of my state of life, and to aspire to conform my whole life to yor example. I beseech you, finally, O dear Mother, that I may see the ideal of my life realized; to love you
